INSTALLATION

NOTE:

- Be careful not to damage the roof and other finished surfaces of the body when installing the roof box.
- Do not allow the combined weight of the accessory and cargo to exceed the carrying capacity of the roof rack.
- An optional Honda roof rack (sold separately) is required to install the roof box.

1. With the help of an assistant, carefully place the box on the crossbars. Open the tailgate to make sure that the box is not interfering with the tailgate.
