

PARTS LIST

Oil filler cap

Oil filler cap emblem

**INSTALLATION**

Customer Information: The information in this installation instruction is intended for use only by skilled technicians who have the proper tools, equipment, and training to correctly and safely add equipment to your vehicle. These procedures should not be attempted by “do-it-yourselfers.”

NOTE: Allow the engine to cool down before installing the oil filler cap.

1. If attached, remove the oil filler cap emblem from the oil filler cap.

**OIL FILLER CAP
EMBLEM**
(Remove if
attached.)

**OIL FILLER CAP**

2. Open the hood, and locate the existing oil filler cap. Remove the existing oil filler cap and set it aside: it will not be reused.
3. Thread the MUGEN oil filler cap onto the engine. Using isopropyl alcohol on a shop towel, clean the top of the oil filler cap where the oil filler cap emblem will attach.

Clean with
isopropyl alcohol.

**MUGEN OIL
FILLER CAP**
(Thread until tight.)

4. Remove the vinyl cover and the adhesive backing from the oil filler cap emblem, then attach the emblem to the oil filler cap in the direction shown.

**MUGEN OIL
FILLER CAP**
