PART LIST
Trunk tray

TOOLS AND SUPPLIES REQUIRED
Utility knife

*Illustration of the Trunk Tray in the Vehicle*

INSTALLATION

If the vehicle is equipped with the cargo net, go to step 2; otherwise, continue with step 1.

Without Cargo Net

1. Open the trunk lid. Place the trunk tray on the trunk floor.
With Cargo Net

2. Using a utility knife, cut off the trunk tray as shown.

3. Open the trunk lid. Place the trunk tray on the trunk floor.
