INSTALLATION

Customer Information: The information in this installation instruction is intended for use only by skilled technicians who have the proper tools, equipment, and training to correctly and safely add equipment to your vehicle. These procedures should not be attempted by "do-it-yourselfers."

NOTE:

- These instructions show the left spoiler being installed. The same procedure applies to installing the right spoiler.
- Be careful not to damage the body paint finish.

Installing the Spoilers

1. Turn the steering wheel fully counterclockwise.

QE32420BH

2. Remove the three self-tapping screws from the left front inner fender.
3. Remove the two self-tapping screws from the left rear inner fender.

QE32421AH
